

Reasons DE#34 & 46 Need a Suppression Hearing: pg. 1 Exhibit U

The looks Gandy got from customs in London and being sent back on separate flights, was enough to teach him to stop socializing with anyone under 18. Had on 07/20/2012, Gandy's lawyer been allowed in and told him to shut up, KV's statements wouldn't have hurt him. As he predicted in his 07/20/2012 interrogation, "KV was worried Gandy would not call him again after everything that had happened." K.V. was right to think that and after 12 years in prison, plus catching COVID for the 4th time on 09/07/2023, Gandy has long ago learned his lesson.

In KV's 2nd interrogation on 07/26/2012, he's shown 6 pictures. He only recognized 2. 1 at the gym. And 1 in red boxers. The other pictures of penis and buttocks, he'd never seen, nor did he recognize the blue sheet or partial face. KV admitted to uploading 3 pictures on Gandy's laptop intentionally. K.V. doesn't think Gandy looks at porn. KV is concerned about getting his parents in trouble (mom was born in El Salvador). When asked again ^{About} the headless nude pictures, KV says "I don't know, it shouldn't be me, but if it was, I never told Gandy he could take it." KV's mom told him to "tell you all what you wanted to know." Gandy believes he is saying whatever Johnson wants in hopes his family will be left alone. KV is also

Told info obtained from me on 7-25-12 (at the airport) about what happened to Gandy on the way to Bond in a Ford SUV who was led to KV unwillingly giving up more info on Jamie Bam/Luke. What happened to Jamie Bam/Luke?

3rd interrogation on 08/02/2012: KV says "Never seen those blue sheets, check Gandy's house and RV, he doesn't own sheets like that and would never take a picture of me nude, not me."

Investigator Bert Diaz on 09/10/2012 was told by KV that investigators were scheduled to talk to him on Wednesday. How many times did KV have to talk to the government? Is Gandy allowed to have the videos?

Why does it seem obvious they coerced him into saying whatever they wanted? KV said that he lied to police, when he said that Gandy might deserve jail time. He also said that Gandy did not give him head or take pictures of his backside. KV's mom Sonia Nolasco said upon her son's return to the US, he told her repeatedly that Gandy did nothing wrong and that the police forced him to make those statements. Ms.. Nolasco doesn't want an innocent man to go to jail. She claims her son is such that he would not allow himself to be used or abused. His stepfather, Jose Nolasco said at 4am, 07/20/2012 H.S. said he and his wife had to travel to the airport. Jose & Sonia were threatened by the government and CPS that just one more bad decision and they would be subject to lose their children to foster care. Both Homeland Security and CPS said their phone and internet would be monitored and that they should not talk to anyone. Is this how H.S. treats people who aren't born in this country?

From the 4 recorded investigations that KV gives, it is obvious the nude pictures not in evidence, yet talked about in the trial are not pictures KV is aware of. Yet, in the 11/04/2019 appeals court, "testimony about 2 nude pictures is the reason "Gandy's challenge to the sufficiency of the evidence as to count 2, fails."
